

My Best Friend

My best friend is Spring. She is eight years old. She is tall and thin. She has long black hair. She has a ponytail. She has big eyes. She wears glasses.

Spring is helpful and tidy. At home, she sweeps the floor and sets the table. At school, she helps to clean the blackboard and tidies the story books. She is hard-working too. She studies and reads a book every night.

Spring plays with me during the recess. We play board games together. We have a lot of fun. I love her very much.
