

My Favourite Pet

My favourite pet is a cat. Its name is Kitty. My mum bought it for me from a pet shop for my birthday.

My pet is white and black. It is small and thin. It has big round eyes. It has a long tail. I keep it in my home. It sleeps on the sofa. It likes to eat cat food and drink milk. It eats three times a day. I feed it with cat food and milk. I play with it every day. It can run fast and jump high. I like my pet because it is cute and beautiful.
